## BALLOT PREFERENCE

### Political Party

If you chose **no party preference** when you registered to vote, your ballot will not include a presidential primary contest. You may request a ballot that includes the presidential primary contest of one of the three parties that chose to allow voters with no party preference to participate: American Independent, Democratic, or Libertarian. Call (415) 554-4375 or visit [sflections.org/vbmstatus](http://sflections.org/vbmstatus). If you have already requested a ballot with the presidential primary contest, the enclosed ballot reflects your request.

If you chose a **party preference** when you registered to vote, the enclosed ballot includes, among other contests, all contests specific to that party.

If you want to change your political party preference, you must reregister to vote by **May 23**.
